

International Conference

9TH INDIA BIODIVERSITY MEET

FEBRUARY 2 - 4, 2026

Agricultural and Ecological Research Unit
Indian Statistical Institute, Kolkata

in collaboration with **The Ratanlal Brahmachary Memorial Foundation**

Biodiversity forms the foundation of ecosystems and sustains the livelihoods of millions across the globe. Yet it is increasingly threatened by climate change, deforestation, over-exploitation of natural resources, invasive species, and escalating pollution. The 9th India Biodiversity Meet (IBM) will bring together researchers and practitioners to address these urgent challenges and to discuss pathways for safeguarding biodiversity, strengthening ecosystem resilience, and ensuring long-term food and environmental security in a rapidly changing climate.

Major themes

- Biodiversity and Ecosystems
- Mathematical Ecology & Epidemiology
- Sustainable Agriculture
- Climate Impact Assessment
- Business-Biodiversity Links
- Nanotechnology and Its Application in Biological Sciences
- Applied Microbiology and Biotechnology
- Natural Product Chemistry
- Diversity in Biomedical Genomics: Uncovering Variation that Shapes Health

Registration

Fees: ₹ 3000
