This is a template for preparing Abstract for the 8th India Biodiversity Meet - 2025. The abstract may ideally contain four sections – Title, name of the authors, their affiliations, abstract and keywords. A spacing of 10pt should be maintained between all the four sections. Times New Roman may be used as the font. The abstract body should be typed with double spacing between lines and 6pt spacing between paragraphs. The abstract should be limited to 300 words including the key words.

Title should be bold type, centralized, capitalize each word, 14pt font. Only use italics and text formatting where needed (e.g. genus and species names, genes, etc.). The author names and affiliations may be centralized as given above (12 pt font). Use bold, 12pt font and left alignment for the heading Keywords. Key words should be limited to 5 and must be in lowercase, 11pt font, and separated by semicolon (;).
